The motivational speaker explores the reasons for such self-imposed limitations as age, fear, time, and money, and describes how to overcome their restrictions to achieve one's goals.

The number one reason cited in exit interviews for an employee quitting is “ my manager. ” Most managers and executives not only aren ’ t aware of this obvious problem, but probably wouldn ’ t know what to do about it if they did. Today ’ s employees do not respond to the old hands-on, militaristic management styles. They are highly independent, individual professionals with their own fully developed ideas. Leaders and managers who try to micro-manage them will inevitably confront wide-spread disgruntlement, absenteeism, and turnover...and increase their own and their employees ’ stress levels. In *The Hands-Off Manager*, Chandler and Black offer a new vision for all

managers. With stories, examples, and vibrant activities for the reader to practice, this book shows any manager—new or seasoned—how to coach and mentor employees rather than hover over their shoulders and goad them into action. In this system, each employee ' s strengths are honored and honed in a climate of partnership and mutual goal-setting.

A self-help guide that reveals seven key success steps to accessing your inner guide, achieving greater clarity, and improving your life.

" " Reinventing Yourself is written forcefully, but with great humor, There won't be many books in the coming years that are met with as much enthusiasm as his book.
