Alaska dominates U.S. seafood industry - Anchorage Daily News

The history of Alaska dates back to the Upper Paleolithic period (around 14,000 BC), when foraging groups crossed the Bering land bridge into what is now western Alaska.At the time of European contact by the Russian explorers, the area was populated by Alaska Native groups. The name "Alaska" derives from the Aleut word Alaxsxaq (also spelled Alyeska), meaning "mainland" (literally, "the object ...
