## Assimilation and Acculturation ...

- Both enculturation and acculturation are processes of socialization taking place in a society.
- Whereas enculturation is a process that helps an individual to imbibe social values, norms,

# Download File PDF

customs etc. of the culture he lives in, acculturation is a two way change process that takes place when there is a meeting of two cultures.

Difference Between  
Enculturation and  
Acculturation ...  
Though they are  
often used

# Download File PDF

interchangeably, acculturation and assimilation are two different things.

Assimilation can be an eventual outcome of acculturation, but it doesn't have to be. Also, assimilation is often a largely one-way process, rather than the two-way process of cultural

# Download File PDF

exchange that is  
acculturation.

## Assimilation

Understanding

## Acculturation and Why It Happens

Acculturation  
happens when two  
cultures meet  
together and when  
there is cultural  
interchange.

Necessity. As soon  
as an individual is

# Download File PDF

born, he/she begins to acquire the culture around him, with or without any influence. Thus, Enculturation is an essential requirement for survival.

Acculturation is not an essential phenomenon in life but occurs when two cultures meet

Download File

PDF

together.

Acculturation is not an essential requirement for survival.

Difference Between  
Enculturation and  
Acculturation  
Acculturation  
happens when  
different cultures  
interact, are  
influenced (or even

# Download File PDF

changed) by each other, but remain essentially the same. Acculturation in education values different cultures, encourages interaction among them, but does not seek to change them as assimilation does.
