~~Learn to design and build Virtual Reality experiences, applications, and games in Unreal Engine 4 through a series of practical, hands-on projects that teach you to create controllable avatars, user interfaces, and more. Key Features Learn about effective VR design and develop virtual reality games and applications for every VR platform Build essential features for VR such as player locomotion and interaction, 3D user interfaces, and 360 media players Learn about multiplayer networking and how to extend the engine using plugins and asset packs Book Description Unreal Engine 4 (UE4) is a powerful tool for developing VR games and applications. With its visual scripting language, Blueprint, and built-in support for all major VR headsets, it's a perfect tool for designers, artists, and engineers to realize their visions in VR. This book will guide you step-by-step through a series of projects that teach essential concepts and techniques for VR development in UE4. You will begin by learning how to think about (and design for) VR and then proceed to set up a development environment. A series of practical projects follows, taking you through essential VR concepts. Through these exercises, you'll learn how to set up UE4 projects that run effectively in VR, how to build player locomotion schemes, and how to use hand controllers to interact with the world. You'll then move on to create user interfaces in 3D space, use the editor's VR mode to build environments directly in VR, and profile/optimize worlds you've built. Finally, you'll explore more advanced topics, such as displaying stereo media in VR, networking in Unreal, and using plugins to extend the engine. Throughout, this book focuses on creating a deeper understanding of why the relevant tools and techniques work as they do, so you can use the techniques and concepts learned here as a springboard for further learning and exploration in VR. What you will learn Understand design principles and concepts for building VR applications Set up your development environment with Unreal Blueprints and C++ Create a player character with several locomotion schemes Evaluate and solve performance problems in VR to maintain high frame rates Display mono and stereo videos in VR Extend Unreal Engine's capabilities using various plugins Who this book is for This book is for anyone interested in learning to develop Virtual Reality games and applications using UE4. Developers new to UE4 will benefit from hands-on projects that guide readers through clearly-explained steps, while both new and experienced developers will learn crucial principles and techniques for VR development in UE4.~~

~~The Leath are fighting for their Gods, but Bethany Anne is fighting for freedom. Then, the Leath make a very fatal mistake. On another planet, the Leath dishonor the Etheric Empire's warriors and Bethany Anne unleashes her new avatar and there will be hell to pay. For those that believe Might Makes Right, Bethany Anne is about to explain how that can be so, so wrong. Read the latest Bethany Anne adventure that can make you laugh out loud, shed a tear, and yell for the good guys as they fight evil in another galaxy. One ass-kicking at a time.~~

~~Why is it that thieves and mages never mix? Probably because thieves remind mages too much of themselves. A young female thief is working to help her crew stay alive in Waypoint, a city that exists on the precipice of humanity to one side and in the shadows of Ziammotienth on the other. Also called Tolan's Doom, the mountain torn asunder by a dragon-if you believe in myths. Many an adventurer calls Waypoint the only bastion of civilization before returning to the remains of the once-great half-elven city's remains from which to strike into the darkness underground. Most do not return. Maylin has no intention of heading to the mountain's grip. But will she be able to evade its grasp? Is Ziammotienth just a story of legends and minstrels or much more? Commerce, adventure, and intrigue swirl around the young thief as she fights her way into a far larger world than she had expected to experience.~~

~~Bethany Anne has hidden for years now - but her patience has disappeared... She needs to help her new allies on their planet, but the Ooken have other ideas. As Bethany Anne has grown in power, someone on the Kurtherian side has taken control. Will Bethany Anne and her team be able to handle the deviousness this Kurtherian can bring? Lance Reynolds must TRY to keep the Leath from going into a no-go Zone. Unfortunately, while the Leath are excellent fighters, the Ooken are superior. Will the Leath be able to retrieve their people in time? Will Lance and the Federation leadership allow the Leath to fend for themselves if they break the rules? Bethany Anne is tired of hiding. Will the Federation dissolve if they figure out the Empress is not that far away? Scroll up and download ENTER INTO VALHALLA right now. Go ahead, there isn't a Kurtherian waiting to bite you. At least, I don't think so.~~

~~Now I have become Death, and my shadow shall consume worlds. Samantha continues her journey with the Shadow Corps, an elite group of the universe's most deadly warriors. They must stop the other two ancient guardians turned evil, the space dragons, in order to find out who is really behind this upsurge in the enemy's power. Once again she must come out swinging, to bring destruction to evil that lurks in the darkest corners of the universe.~~

~~You take out one annoying vampire in revenge, and now you have to clean up the mess? What a pain in the ... something. Bethany Anne and crew are back! They need to grab a ship, figure out who is trying to dig into her businesses, get their hands around the potential for creating an A.I. and the ongoing mess with Anton and South America. One of these days, she will get a break. Fortunately for us, it wasn't today. Got an attitude? That's nice. Just don't show it around Bethany Anne. When she slaps a face off, the whole head goes with it. Bite This, The Kurtherian Gambit 04 follows the story after Love Lost. If you haven't read the preceding books YOU PRETTY MUCH HAVE TO. These are a series and many of the characters have been introduced in preceding volumes. **Please note, as mentioned in another review, there is flagrantly foul language in this novel. The main character does not have a problem with cussing, just uninspired cussing.~~
