Advanced Placement World History will cover history from 8,000 BCE to the present time. The course is designed to prepare students for the College Board Advanced Placement World History Exam. The AP World History Exam presumes at least one year of college-level preparation. The purpose of the AP World History course is to develop a greater understanding of the evolution of global processes and contacts in different types of human societies over time.

Rather than try to memorize all the facts of AP World History, these themes help you to see the patterns in the Historical Thinking Skills and Reasoning Processes. There are 6 themes for AP World History. To make them easier to remember (and to make our notes and notecards easier to categorize), we will be color coordinating the themes.
