Beastly is a 2007 novel by Alex Flinn. It is a retelling of the fairytale Beauty and the Beast set in modern-day New York City. Flinn researched many versions of the Beauty and the Beast story to write her book. Many of these are playfully alluded to in portions of the book, particularly the chat room transcripts in which the character of Kyle talks to other teens who have been transformed ...

A beast. Not quite wolf or bear, gorilla or dog but a horrible new creature who walks upright—a creature with fangs and claws and hair springing from every pore. I am a monster. You think I'm talking fairy tales? No way. The place is New York City. The time is now. It's no deformity, no disease. And I'll stay this way forever—ruined—unless I can break the spell. Yes, the spell, the one the witch in my English class cast on me. Why did she turn me into a beast who hides by day and prowls by night? I'll tell you. I'll tell you how I used to be Kyle Kingsbury, the guy you wished you were, with money, perfect looks, and the perfect life. And then, I'll tell you how I became perfectly . . . beastly.

A hapless witch, a bad boy turned beast, a beautiful girl and her wicked stepmother...what

more could you want in these four modernized fairy tales, in one collection for the first time, by #1 New York Times bestselling author Alex Flinn. *Beastly*: Kyle was the cutest guy at school—and the most heartless. Kendra's spell turned him into a beast, but can Lindy's love turn him back into a boy? After winning a VOYA Editor's Choice award and spending over 22 weeks on the New York Times bestseller list, *Beastly*, a retelling of *Beauty and the Beast*, became a major feature film starring Vanessa Hudgens, Alex Pettyfer, Mary Kate Olsen, and Neil Patrick Harris. *Beastly: Lindy's Diary*: This novella lets readers peek into the journal Lindy kept while she was getting to know—and love—her beast. *Bewitching*: Kendra shares her other schemes that have gone wrong . . . no matter how hard she tries! These tweaked fairy tales take readers all through history and all over the world. *Mirrored*: In this retelling of *Snow White*, beautiful Celine must take refuge with her friend Goose and his family since her wicked stepmother, Violet, is on a mission to be the fairest of all and won't let anything—including Celine—get in her way.

those claws—they caught me off guard at first, but now I'm noticing something else about him—something deeper. It's the look in his eye. It tells me he's got a secret to keep. That's okay—I've got one, too. I think I'm falling in love with him. . . . Lindy

Bewitching can be a beast. . . . Once, I put a curse on a beastly and arrogant high school boy. That one turned out alright. Others didn't. I go to a new school now—one where no one knows that I should have graduated long ago. I'm not still here because I'm stupid; I just don't age. You see, I'm immortal. And I pretty much know every-thing after hundreds of years—except for when to take my powers and butt out. I want to help, but things just go awry in ways I could never predict. Like when I tried to free some children from a gingerbread house and ended up being hanged. After I came back from the dead (immortal, remember?), I tried to play matchmaker for a French prince and ended up banished from France forever. And that little mermaid I found in the Titanic lifeboat? I don't even want to think about it. Now a girl named Emma needs me. I probably shouldn't get involved, but her gorgeous stepsister is conniving to the core. I think I have just the thing to fix that girl—and it isn't an enchanted pumpkin. Although you never know what will happen when I start . . . Bewitching

Flinn is back with magical twists on four fairy-tale favorites, each featuring a little help from Kendra, the witch from *Beastly*, as she searches through cities and centuries for her lost love. Featuring retellings of favorite fairy tales such as "Little Red Riding Hood," "Rumpelstiltskin," "East of the Sun and West of the Moon," and "The Ugly Duckling," Kendra's adventures in *Beheld* are filled with fresh fairy-tale fun from beginning to end. Since she first beheld James over three hundred years ago, Kendra has tangled with witch hunters and wolves, helped a miller's daughter spin straw into gold, cowered in London as German bombs fell, and lived through who knows how many shipwrecks. But her powers have limits, and immortality can be lonely. Kendra isn't ready to stop searching for the warlock she met centuries ago. With the help of her magic mirror, Kendra will travel the world to reconnect with her lost love—and, of course, she can't help but play a hand in a few more stories along the way.

In #1 New York Times bestselling author Alex Flinn's modern and mysterious retelling of Snow White, beauty is in the eye of the beholder and true love doesn't necessarily mean Prince Charming. Celine's life is the stuff fairy tales are made of. She's beautiful, talented, and brave.

Unfortunately, her tale comes complete with a wicked stepmother! When Violet steps into Celine's life, everything changes and weird things begin to happen to her—bizarre accidents, strange illnesses, and rabid animal attacks. Celine doesn't feel safe anywhere. It's almost as if some hateful witch is out to get her. And there is. Violet has been waiting all her life to have Celine's father to herself. Getting rid of

his gorgeous daughter is child's play for a witch as powerful as she is. Happy-ever-after isn't enough for Violet. She wants to be the fairest of them all, and Celine is in the way . . . but not for long. Forced to take refuge with her friend Goose and his family, Celine gives up everything she loves and goes deep undercover. But will it be enough to fool Violet, or will Celine's fate be decided by a reflection in a magic mirror? And where do you find Prince Charming in Miami anyway? *Mirrored* is a modern retelling of Snow White—told from the points of view of Violet, Celine, and Goose—with all the magic and mystery readers will love.

Alex Flinn, New York Times #1 bestseller, is back with more magical modernized fairy tales! These three present-day takes on classic stories appear in one collection for the first time. *Cloaked*: Johnny spends his days relaxing in South Beach—until the visiting Princess Victoriana sends him on a quest to find a frog prince in the Florida Keys. This mashup of twisted fairy tales will keep readers hopping! *Kiss in Time*: Princess Talia, whose family rules a tiny European kingdom in the 1700s, has been warned to keep away from spindles. Jack, who's touring modern Europe on an educational trip, has been ordered to stay with his group. But teens aren't good listeners—and now they're going to have to find their way together. *Kiss in Time* is a Junior Library Guild

Selection. Towering: While Rachel has been imprisoned in a tower by "Mama" for years, Wyatt's mother just shipped him off to live with a family acquaintance. Isolated as they are, what could they learn from the journal of a girl who's been missing for seventeen years?

Talia fell under a spell . . . . Jack broke the curse. I was told to beware the accursed spindle, but it was so enchanting, so hypnotic. . . . I was looking for a little adventure the day I ditched my tour group. But finding a comatose town, with a hot-looking chick asleep in it, was so not what I had in mind. I awakened in the same place but in another time—to a stranger's soft kiss. I couldn't help kissing her. Sometimes you just have to kiss someone. I didn't know this would happen. Now I am in dire trouble because my father, the king, says I have brought ruin upon our country. I have no choice but to run away with this commoner! Now I'm stuck with a bratty princess and a trunk full of her jewels. . . . The good news: My parents will freak! Think you have dating issues? Try locking lips with a snoozing stunner who turns out to be 316 years old. Can a kiss transcend all—even time?

story of Sleeping Beauty in A Kiss in Time. Now with her gothic and darkly romantic YA novel Towering, Alex Flinn retells the tale of Rapunzel. When Rachel was taken to live in a tower by a woman she calls Mama, she was excited. She felt like a princess in a castle. But many years later, Rachel knows her palace is really a prison, and begins to plan her escape. She is encouraged by the speed with which her golden hair has been growing. It's gotten long enough to reach the ground. And she's begun dreaming of a green-eyed man. Could he be out there in the world? Is he coming to save her? Or will she find a way to save herself?
