Reality is deadly when you go off script. Bliss Island seems like an idyllic place to live - especially to the people suffering on the war-torn mainland. What's not so idyllic about Bliss is the fact that the Island is a set, and everyone's life is a performance; they're all stars of a hit reality TV show, Blissful Days. Characters on the show think they're better off on Bliss than the mainland, but they're always in danger of being cut if their ratings dip too low. And no one really knows what happens to cut characters. Nettie Starling has never had great ratings, so it seems lucky when a producer offers suggestions to help her improve. But she'll soon have to decide how far she'll go to preserve her ratings ... especially when she learns what could happen to her if she doesn't.

The late 1690 and early 70s may be remembered as the years of the great bank and other armed robberies in Kenya. This is the true story of one of the participants in some of those robberies, John Kiriamiti. In raw and candid language, Kiriamiti tells the story of how he dropped out of secondary school when he was only fifteen years old, and for a time became a novice pickpocket, before graduating into crimes like car-breaking and ultimately into violent robbery. This spell-binding story takes the reader into the underworld of crime, and it depicts graphically the criminal's struggle for survival against the forces of law. John Kiriamiti was imprisoned on 6 January 1971, after being convicted on a charge of committing robbery at Naivasha on 4 November 1970. Kiriamiti left Naivasha Maximum Security Prison in August 1984, just five months after the publication of this novel and those following which were a sensation with Kenyan youth in the late 1980s and '90s.

In pursuit of the delicate and elusive socio-economic cultural balance in Nasila, Ole. Kaelo, the girls' father is ensnared by a corrupt extortionist. To extricate himself he sends his daughters into a flat-spin labyrinth from which they have to struggle to escape.
