Teaching Close Reading vs. Guided Reading vs Shared Reading Cambridge Reading Adventures: Guided Reading Tutorial - Orientation Level A
guided reading (new book) **All about the guided reading levels** *Guided Reading The Stage Is*

The practice of guided reading is based on the belief that the optimal learning for a reader occurs when they are assisted by an educator, or expert 'other', to read and understand a text with clear but limited guidance. Guided reading allows students to practise and consolidate effective reading strategies.

Children's Library Lady

Guided reading is a technique which is often used to help students become better independent readers. It involves the teacher working with small groups of students with a similar reading level and supporting them in their skills development. However, guided reading can also be done as a whole-class activity, providing students with support whilst allowing time for independent work to be done at their own pace.
