Loving the Self-Absorbed: How to Create a More Satisfying ...

A self-absorbed person doesn't have the ability or the willingness to put themselves in someone else's shoes or share their pain. They think the world (and you) exists for their benefit and needs and have little concern about how others are affected. 6. Self-centered people focus more on superficial qualities than character.

The author helps the partners of narcissistic mates cope by identifying five types of "destructive narcissism" and revealing how each affects relationships. Original.

Do you have a self-absorbed or narcissistic parent who's made you feel rejected, unloved, or unworthy? Being a parent is usually all about giving of yourself to foster your child's growth and development. But what happens when this isn't the case? Some parents dismiss the needs of their children, asserting their own instead, demanding attention and reassurance from even very young children. This may especially be the case when a parent has narcissistic tendencies or narcissistic personality disorder (NPD). This fully revised and updated edition of a self-help classic offers a step-by-step approach to resolving conflict and building a meaningful relationship with a narcissistic parent. Children of the Self-Absorbed offers clear definitions of narcissism and narcissistic personality disorder to help you identify the extent of your parent's problem. You'll learn the different types of destructive narcissism and how to recognize their effects on your relationships. Packed with proven techniques, you'll realize that you're not helpless against your parent's behavior, and that you don't have to give up on the relationship. Instead, you'll find realistic strategies and steps for setting up mutually agreed upon behaviors, so you can fulfill your own emotional needs. In this new edition, you'll discover: Skills for managing intense emotions Tools for building character, self-esteem, and self-acceptance How kindness and gratitude can promote self-healing How to build trust and empathy with others If you're ready to begin healing How to build trust and empathy with others If you're ready to begin healing from the pain of growing up with a self-absorbed parent and establish the boundaries you need to thrive—this book will guide you, one step at a time.

Being a parent is usually all about giving of yourself to foster your child's growth and development. But what happens when this isn't the case? Some parents dismiss the needs of their children, asserting their own instead, demanding attention and reassurance from even very young children. This may especially be the case when a parent has narcissistic tendencies or narcissistic personality disorder. From the author of Working with the Self-Absorbed and Loving the Self-Absorbed, this major revision of a self-help classic offers a step-by-step approach to resolving conflict and building a meaningful relationship with a narcissistic parent. Children of the Self-Absorbed offers clear definitions of narcissism and narcissistic personality disorder to help you identify the extent of your parent's problem. You'll learn the different types of destructive narcissism and how to recognize their effects on relationships. With the aid of proven techniques, you'll discover that you're not helpless against your parent's behavior and that you needn't consider giving up on the relationship. Instead, realistic strategies and steps are suggested for learning to set mutually agreed upon behaviors that can help you fulfill your needs and expectations.

Growing up with a parent who is self-absorbed is difficult, and they may become more difficult to deal with as they age. This essential book shows how to cope with your aging parent's narcissistic behavior, and provides tips to help protect yourself and your children from their self-absorbed, destructive actions. As your self-absorbed parent grows older and becomes more dependent on you, hurtful relationships may resurface and become further strained. In the tradition of Children of the Self-Absorbed, author Nina Brown offers the first book for adult children of aging narcissistic or self-absorbed parents. You will learn practical, powerful strategies for navigating the intense negative feelings that your parents can incite, as well as tips to protect your children from the criticism, blame, or hostility that may exist between you and their grandparent. In this book, you will gain greater awareness of how and why your parent's self-absorbed behaviors and attitudes get worse, and develop strategies to manage the negative feelings that can arise as a result. You'll also learn to reduce the shame and guilt that may be felt when you feel like you don't want to be a caretaker. Finally, you'll learn to set limits with your parent so you can stay sane during this difficult time. Having an aging parent can be stressful enough, but dealing with an aging narcissistic or self-absorbed parent is especially challenging. This essential guide will help you through.

Why do some women date, or even marry, narcissistic men—over and over? In this provocative book, a clinical psychologist and expert in narcissism offers 7 secrets to help women finally break free from their attraction to narcissistic men. Do you keep finding yourself in relationships with narcissistic men? Is your boyfriend or husband solely focused on fulfilling their own needs and unable to see things from your perspective? If you're tired of dealing with a self-absorbed partner and are ready to be treated with kindness, respect, and sensitivity, this book is for you. In No More Narcissists!, psychologist Candace Love provides a road map for women to finally get the love they deserve. Using skills based in cognitive behavioral and schema therapy, you'll gain an understanding of why you're attracted to narcissistic men, how you can avoid being drawn in by a narcissist's initial charm and magnetism, and how to heal so you can finally move on to healthy relationships. You'll find out how the basic principles of schema theory—core beliefs about ourselves and our environment that we acquire in childhood and adolescence—can play an important role in why you're attracted to narcissists and seek them out. Also included are targeted exercises and techniques that will encourage you to examine your past relationships and take meaningful steps to promote self-care and healing. Isn't it time you broke the cycle of hurt, frustration, and pain that comes with loving a narcissist? This book will show you how to let go of these destructive relationships once and for all, love yourself unconditionally, and find the love you deserve.

Narcissistic men seem like the ultimate catch: self-confident, attractive, charming individuals who are often the life of the party. The narcissist always knows the place to be and who to be seen with. His attention is initially very flattering, but eventually his behavior is not: he becomes aloof and controlling and may cheat. He still seems somewhat interested, however, and often makes enough nice gestures to maintain a girl's interest, leaving all but him to wonder: what is going on? The country's leading expert on narcissism, Dr. W. Keith Campbell, explains how to identify a narcissist, what it means to love a man who loves himself and how to break the cycle of dating men with this personality disorder.

SIXTEEN LITERARY LUMINARIES ON THE CONTROVERSIAL SUBJECT OF BEING CHILDLESS BY CHOICE, COLLECTED IN ONE FASCINATING ANTHOLOGY One of the main topics of cultural conversation during the last decade was the supposed "fertility crisis," and whether modern women could figure out a way to have it all—a successful, demanding career and the required 2.3 children—before their biological clock stopped ticking. Now, however, conversation has turned to whether it's necessary to have it all (see Anne-Marie Slaughter) or, perhaps more controversial, whether children are really a requirement for a fulfilling life. The idea that some women and men prefer not to have children is often met with sharp criticism and incredulity by the public and mainstream media. In this provocative and controversial collection of essays, curated by writer Meghan Daum, sixteen acclaimed writers explain why they have chosen to eschew parenthood. Contributors include Lionel Shriver, Sigrid Nunez, Kate Christensen, Elliott Holt, Geoff Dyer, and Tim Kreider, among others, who will give a unique perspective on the overwhelming cultural pressure of parenthood. Selfish, Shallow, and Self-Absorbed makes a thoughtful and passionate case for why parenthood is not the only path in life, taking our parent-centric, kid-fixated, baby-bump-patrolling culture to task in the process. What emerges is a more nuanced, diverse view of what it means to live a full, satisfying life.

The Artemis Fowl Files is comprised of two original stories: "LEPrecon": the story of Fairy Police Captain Holly Short's move from Traffic to Recon following her initiation into the Fairy Police; and "The Seventh Dwarf", featuring Mulch, Butler, and Artemis himself.

Do you know someone who is overly arrogant, shows an extreme lack of empathy, or exhibits an inflated sense of entitlement? Do they exploit others, or engage in magical thinking? These are all traits of narcissistic personality disorder, and when it comes to dealing with narcissists, it can be difficult to get your point across. So how do you handle the narcissistic people in your life? You might interact with them in social or professional settings, and you might even love one—so ignoring them isn't really a practical solution. They're frustrating, and maybe even intimidating, but ultimately, you need to find a way of communicating effectively with them. Disarming the Narcissist, Second Edition, will show you how to move past the narcissist's defenses using compassionate, empathetic communication. You'll learn how narcissists view the world, how to navigate their coping styles, and why, oftentimes, it's sad and lonely being a narcissist. By learning to anticipate and avoid certain hot-button issues, you'll be able to relate to narcissists without triggering aggression. By validating some common narcissistic concerns, you'll also find out how to be heard in conversation with a narcissist. This book will help you learn to meet your own needs while side-stepping unproductive power struggles and senseless arguments with someone who is at the center of his or her own universe. This new edition also includes new chapters on dealing with narcissistic women, aggressive and abusive narcissists, strategies for safety, and the link between narcissism and sex addiction. Finally, you'll learn how to set limits with your narcissist and when it's time to draw the line on unacceptable behavior.

Citing a rise in such factors as cosmetic surgery, status-related debt and misrepresented Facebook profiles, a cautionary report on the increase of unhealthy ego-related behaviors examines its actual cost to families, organizations and societies. By the author of Generation Me.
