Read Free Marketplace Lending Financial Analysis And The Future Of Credit

Marketplace Lending, Financial Analysis, and the Future of Credit explains why established financial credit institutions and banks need to step up innovation within the financial technology arena. At the same time, platforms in marketplace lending—synonymous with peer-to-peer lending or crowd lending—need to further improve the transparency, analytics and risk management tools for investors to guarantee the safety and sustainability of the sector.

set of opportunities for asset managers by providing access to a new asset class that will potentially offer higher returns and is gradually becoming more investible. This is largely because: Securitisations and a secondary market for these loans will improve their liquidity

Marketplace lending | Deloitte UK

Deloitte's report "Marketplace lending – a temporary phenomenon?" explores whether marketplace lenders (MPLs) represent a truly disruptive threat to the UK banking industry. As part of our research, we commissioned YouGov to carry out a survey of individuals and small and medium-sized enterprises (SMEs) to find out more about the awareness, usage and growth potential of marketplace lending in the UK.
