Review: Oddisee, 'The Odd Tape' : NPR

Released during an extremely busy year for the producer/rapper -- with one EP and an LP also dropped on shelves -- The Odd Tape is Oddisee's beat tape for 2016, but by no means should it automatically come in third. The left-field Brooklyn-based producer does much to elevate the all-instrumental niche of beat tapes with this cool slice of jazz and soul, much of it smooth and soulful and none of it sounding like demos in search of an MC.

¶The Odd Tape de Oddisee en Apple Music

The new album, entitled 'The Odd Tape', is a perfect thinking man's companion album for cold mornings and warm coffee with a surprising amount of depth. Oddisee has created his own distinct sound in hip-hop down the years. Seeing himself as an artist above all, Oddisee has blended influences from 70's soul to modern sampling.

The Odd Tape (Black Vinyl) [VINYL]: Amazon.co.uk: Music

The Odd Tape showcases the range of a composer bending hip-hop, soul, and jazz into singular form, tapping into that same emotional Fort Knox that animates all wordless choruses.

author of Classic Scrapes, undercover cop, receiver of cabbages. PERFECT SOUND WHATEVER is a love letter to the healing power of music, and how one man's obsessive quest saw him defeat the bullshit of one year with the beauty of another. Because that one man is James Acaster, it also includes tales of befouling himself in a Los Angeles steakhouse, stealing a cookie from Clint Eastwood, and giving drunk, unsolicited pep talks to urinating strangers. January, 2017 James Acaster wakes up heartbroken and alone in New York, his relationship over, a day of disastrous meetings leading him to wonder if comedy is really what he wants to be doing any more. A constant comfort in James's life has been music, but he's not listened to anything new for a very long time. Idly browsing 'best of the

Album' lists, it dawns on him that 2016 may have been a grim year for a lot of reasons, but that it seemed to be an iconic year for music. And so begins a life-changing musical odyssey, as James finds himself desperately seeking solace in the music of 2016, setting himself the task of only listening to music released that year, ending up with 500 albums in his collection. Looking back on this year-long obsession, parallels begin to grow between the music and James's own life: his relationship history, the highs and lows of human connection, residual Christian guilt, and mental health issues that have been bubbling under the surface for years. Some albums are life-changing masterpieces, others are 'Howdilly Doodilly' by Okilly Dokilly, a metalcore album devoted to The Simpsons'

character Ned Flanders, but all of them play a part the year that helped James Acaster get his life back on track.

A searing novel about two friends on opposite sides of the law, from the author of *Rust and Bone*, "a writer of immense power" (Peter Straub) On the Canadian side of Niagara Falls, life beyond the tourist trade isn't easy. Locals like Duncan Diggs and Owen Stuckey have few chances to leave. For Duncan, that means shift work on a production line. For Owen, it means pinning it all on a shot at college basketball. But they should know better; they've been unlucky before. As boys, they were abducted and abandoned in the woods. Though they made it out alive, the memory of that time won't fade. Over the years they

drift apart, but when Duncan is drawn into a chaotic world of bare-knuckle fighting and other shady dealings, Owen, now a cop, can't look the other way any longer. Together, they'll be forced to survive the wilderness once more as their friendship is pushed to the limit in *Cataract City*, a white-hot novel by the rising star Craig Davidson.

Filled with more than 250 images of artists including Ice Cube, The Notorious B.I.G., LL Cool J, Naughty by Nature, Public Enemy, 50 Cent, N.W.A, Snoop Dogg, Lil' Kim, Flavor Flav, Lauren Hill, Queen Latifah, TLC, many that have never before been published, this book is set to become the new hip-hop photography bible. With exclusive, behind-the-scenes access, preeminent photographer

Brother Ernie captures the last four decades of the evolution of hip-hop--the styles that grew from it, and the artists who shaped it. Complete with Brother Ernie's personal anecdotes of time spent with subjects, and stories behind the photographs, *Hip-Hop at the End of the World* shares intimate moments from the most important era of hip-hop. After picking up a camera in the 1973 to document the graffiti art that dominated New York City, Ernest Paniccioli started his journey of wholeheartedly capturing the scene during the most fertile years of hip-hop. Always armed with a 35mm camera, he successfully photographed nearly every rapper of note since the genre's inception, making him the go-to photographer for magazines like *Word Up* and *Rap Masters*. *Hip Hop at the*

of disciplines—including music, cultural studies, African-American studies, gender studies, literary criticism, and philosophy—Listening to Rap tracks the evolution of rap and hip hop while illustrating its vast cultural significance. The text features more than 60 detailed listening guides that analyze the musical elements of songs by a wide array of artists, from Afrika Bambaataa and Grandmaster Flash to Nicki Minaj, Jay-Z, Kanye West, and more. A companion website showcases playlists of the music discussed in each chapter. Rooted in the understanding that cultural context, music, and lyrics combine to shape rap's meaning, the text assumes no prior knowledge. For students of all backgrounds, Listening to Rap offers a clear and accessible introduction to this vital and influential music.

Winner of the Alex Award □ Mike Muñoz Is a Holden Caulfield for a New Millennium--a '10th-generation peasant with a Mexican last name, raised by a single mom on an Indian reservation' . . . Evison, as in his previous four novels, has a light touch and humorously guides the reader, this time through the minefield that is working-class America. □ --The New York Times Book Review For Mike Muñoz, life has been a whole lot of waiting for something to happen. Not too many years out of high school and still doing menial work--and just fired from his latest gig as a lawn boy on a landscaping crew--he's smart enough to know that he's got to be the one to shake things up if he's ever going to change his life. But how? He's not qualified for much of anything. He has

How sampling remade hip-hop over forty years, from pioneering superstar Grandmaster Flash through crate-digging preservationist and innovator Madlib Sampling—incorporating found sound and manipulating it into another form entirely—has done more than any musical movement in the twentieth century to maintain a continuum of popular music as a living document and, in the process, has become one of the most successful (and commercial) strains of postmodern art. *Bring That Beat Back* traces the development of this transformative pop-cultural practice from its origins in the turntable-manning, record-spinning hip-hop DJs of 1970s New York through forty years of musical innovation and reinvention. Nate Patrin tells the story of how sampling built hip-hop through the lens of four pivotal artists:

Albummaster Flash as the popular face of the music's DJ-born beginnings; Prince Paul as an early champion of sampling's potential to elaborate on and rewrite music history; Dr. Dre as the superstar who personified the rise of a stylistically distinct regional sound while blurring the lines between sampling and composition; and Madlib as the underground experimentalist and record-collector antiquarian who constantly broke the rules of what the mainstream expected from hip-hop. From these four artists' histories, and the stories of the people who collaborated, competed, and evolved with them, Patrin crafts a deeply informed, eminently readable account of a facet of pop music as complex as it is commonly underestimated: the aesthetic and reconstructive power of
