The 2nd edition of this book covers the entire question papers from 2007 to 2018 of JK PSC. The explanations to these questions have been provided in such a manner that they cover NEET exams, AIIMS, PGI, JIPMER, DNB and other important post-graduate exams as well. The inclusion of high yielding facts in the form of NEET EDGE has added a new dimension to this book. The explanation and NEET EDGE have been updated based on latest guidelines and updates. In addition, important expected question for NEET and PSC have been added to make book more useful. In this edition two senior faculty members from prestigious Sher-I -Kashmir Institute of medical sciences, Dr. Cimona L Saldhana and Dr. Muzzafer Wani have contributed in Obs/gynae and nephrology respectively besides reviewing other questions as well. The contribution of Dr. Suhail Naik is immense in the subject of paediatrics. In addition, senior residents from GMC Sri Nagar, SKIMS medical college bemina have also revised their respective subjects. The feedback I received from 1st edition really motivated me to come up with this edition. I am sure that this book will live upto its expectations and help students in their exams. An important thing for all exams is that approximately 15 to 25% questions are repeated in one form or the other so keeping this thing in mind I have highlighted all questions which were repeated. Feedback from 1st edition This book is very much helpful for state aspirants and also for medicos preparing for neet exams. I personally recommend every Medico to go through this book before such exams. -DR. TABASSUM SAMOON SKIMS Very nice and helpful book for JK PSC and other state exam. Easy language and good retention. Precise and very informative explanations of every question. -DR. UMER SKIM The best book you will find for JK PSC medical exams... if you have this you are going to score well in NEET and JK PSC exams for sure... A MUST HAVE BOOK. -DR. YAMIN SKIM

For the longest time, parents and children both, knew and believed that Medicine, Engineering, Management and Law were the only true 'careers' which could provide job security and steady paycheques. However, youngsters today couldn't have been more open to trying out offbeat careers. They are bold, patient, resilient and aware of the fact that a career that is in line with their interests has a higher chance of being satisfying. An equal, or probably more, parents are sceptical about these unconventional careers and would rather have their children go in for 'tried and tested' jobs. With 'Steps to Career', the author has attempted to dilute the dilemma of such children and their parents, providing them a wealth of information on the available conventional and unconventional career options, to help

the children decide the right career for them, and the process.

All the views written in this book are my personal view which I have experienced over the long period of time. All the view given in this book may not be useful for every student. I am writing this book because I saw the student struggling to clear competitive entrance exam for DM/Mch courses in various Indian medical college. So, kindly make note of these things before reading them or purchasing the book. I decided to write this book so I can guide the student, regarding how to prepare for the exam, so they can easily clear the exam .
