Reamde - Wikipedia

Reamde takes place in the world today and is mostly populated by people like the ones you know or read about in the news. Sadly, this created a huge problem for me. First, let me come right out and say that I'm grading this on the Stephenson scale. Even though I've given it three stars, it's probably better than whatever you're reading now.

Reamde: A Novel | IndieBound.org

Reamde is a little quirky, a little funny, and a thriller all at the same time. If this were a movie then it would be described as the love-child of "Snatch" and "Enemy of the State." It's action-oriented but with a wry sense of humor and interesting characters. If you are a Gamer or a Dev like me, highly recommended light reading.
