The SAP Fiori product road map describes how the product capabilities are planned to progress over time. The road map provides information on the recent innovations, as well as planned innovations and a summary of future direction for the product.

SAP Product Road Maps

SAP road maps highlight innovations that may help you plan and implement your digital journey. They span products relevant to lines of business in your industry and explain how our innovations may add value to your business. In our road maps, you can learn about our innovations along four different timelines:
