eBay, Amazon, Etsy, & Fiverr So many choices How do you decide? Which site is right for your online business? Many books promise to share the secrets to getting wealthy selling online. They tell you to sell this or that product, or to try this top secret listing method, or to sign up for this course. But, that's all they are - promises. Sell It Online is different. It's written by a real eBay Power Seller and Top Rated Seller. One who's been selling on eBay and Amazon for over fifteen years. Most importantly, Sell It Online doesn't make any crazy promises that you'll make a million dollars overnight selling on any of these sites. It's not going to happen. It also doesn't tell you that you can make three thousand dollars a month following my method, because those kinds of promises don't make sense. Anyone can make money selling online. But, you aren't going to make a fortune following someone else's plan.

An actionable digital marketing playbook to help grow e-commerce businesses in Australia

Unfortunately, recent changes at eBay have made online auctions less reliable and profitable. So where can you sell when you can't sell on eBay? Online auctions are the past; fixed-price selling is the future. It's time to move beyond eBay and first-generation online selling and start Selling Online 2.0. Second generation online selling means migrating from eBay to other online marketplaces, including craigslist, Amazon, and your own e-commerce website. You'll need to make some new plans, learn some new skills, and change some of the things you do--but you'll find that there's more money to be.
