A secret power. The revival of magic. An ancient evil stirs. Twenty-year-old university dropout Cassie Rogan has returned to her small British Columbia home. Tortured by an accident that killed her parents, she drifts, failing life at every turn. When an impossibly localized lightning storm hits the surrounding forest, Cassie discovers her supernatural side. After centuries of atrophy, the forces of magic are flowing back into our world, and Cassie can wield arcane powers. Her life seems destined to turn around, until the downside of magic brings everything to a screeching halt. Horrifying mythical beasts now prowl the northern wilderness-including the Basilisk-an enormous eight-legged lizard that can turn its prey to stone. Recruited by a secretive agency, Cassie must quickly master her powers to protect mankind. As she develops her skills, a dark power secretly watches from the shadows. The Fae Seelie (a.k.a. the Dark Elves)-humanity's ancient enemy-have returned to settle the score. Starlight is the first book in the Dark Elf War series, an epic urban fantasy and coming of age series that features fast-paced action, mysterious creatures, careful world-building, and breathless pacing. Author William Stacey is a 2014 Amazon Breakthrough Novel Award Quarter-Finalist. Buy his latest rousing read today!

The Culling, the genocide of humanity. It almost ended us. It still might. Six years ago, the dark elves murdered most of

Online Library Starlight The Dark Elf War Book 1

humanity. Thanks to the sacrifice of Elizabeth "Gunz" Chambers, some few survived, safe behind walled shelters. For now. Former Special Forces operator Alex Benoit is a broken man. Driven to rage by the evil of the dark elves, he and his team of rangers hunt them in the wilderness of northern Canada. No weapon is forbidden, no method too severe. But Alex has stared too long into the abyss and vengeance comes at a cost. A cost that others may have to pay. When a new gateway opens between worlds, Alex joins a desperate expedition to the dark elves' home world. Their mission: to forge an alliance between dwarves and humanity. Only together can both races stand a chance against the might of the dark elves and their wicked queen Tuatha de Talinor. If they fail, it won't just be the end of the Dark-Elf War. It'll be the end of all human life. You'll love this final book in the epic urban fantasy/military sci-fi Dark Elf War trilogy by former Army officer William Stacey because of his breathless pacing, believable characters, and non-stop action.

From New York Times bestselling author R. A. Salvatore comes a new trilogy and adventure of Drizzt and fantasy's beloved characters from Dungeons & Dragons' Forgotten Realms. After the settling dust of the demon uprising and two years of peace, rumblings from the Menzoberranzan drow have Jarlaxle nervous. Worried his allies may be pulled into a Civil War between the great Houses, he is eager to ensure Zaknafein is armed with weapons befitting his skill, including one in particular: Khazid'hea. A powerful artifact, the sword known as "Cutter" has started wars, corrupted its users, and spilled the blood of many, many people. Nonetheless—or maybe because of that—the rogue Jarlaxle and a small group of friends will go on an expedition looking for the weapon's last wielder, Doum'wielle, in the freezing north, for she may be the key to unlocking the sword's potential—and perhaps the

Online Library Starlight The Dark Elf War Book 1

key to preventing the bloodshed looming over the Underdark. And as they explore the top of the world, Drizt is on a journey of his own—both spiritual and physical. He wants to introduce his daughter Brie to Grandmaster Kane and the practices that have been so central to his beliefs. But, having only recently come back from true transcendence, the drow ranger is no longer sure what his beliefs mean anymore. He is on a path to determining the future, not just for his family, but perhaps the entire northlands of the Realms themselves. Two different roads. On one, Jarlaxle and Zaknefein are on a quest to find pieces that could offer salvation to Menzoberranzan. On the other, Drizt seeks answers that could offer salvation to not just his soul, but all souls. And no matter the outcome of either journey, the Realms will never be the same again.

The Awakened World of 2053—a shattered land of magic, Fey, monsters ... and world-ending secrets. From former army officer William Stacey comes Shade King, the second book in an exciting new blend of urban fantasy and military adventure. What difference does a week make? I'm Angie Ritter, former army mage and recovering headcase. Seven days ago, I was struggling to survive without my magic. Now I'm on the run with a family of werewolf super-soldiers. Not gonna lie. I'm in trouble—a lot of trouble: a cult of dragon-worshipping fanatics wants to cut my heart out, vampire assassins hunt me, and even my own countrymen want to hang me for treason. Oh, and a dark empire plots to conquer the entire West Coast. It may be led by a pair of dragons, honest-to-god dragons. Did I mention I'm possessed by an ancient entity of unimaginable power? Last week was hell on Earth, literally. I think this week is gonna be worse. At least my magic's back—wow, is it ever back! Warning: Contains scenes of sexual situations, realistic violence, and soldiers

Online Library Starlight The Dark Elf War Book 1

talking like soldiers. If you like Myke Cole, Michael Anderle, K.F. Breene, and Shayne Silvers, you'll love this exciting new series.

As beautiful as she is deadly, Liriel Baenre flits through the shadows of Menzoberranzan, city of the dark elves. Amid the treachery and murder that are the drow's daily fare, she feels something calling to her . . . something beyond this dusky world far removed from the sun. Yet as she ventures toward the surface and the lands of light, enemies pursue her unceasingly. And one of those enemies may offer the only hope of salvation. I have been a fan of Elaine Cunningham's since I read Elfshadow because of her lyrical writing style R.A. Salvatore, New York Times best-selling author of Gauntlgrym

Loth, patron deity of the drow, Spider Queen, regent of the Demon Web Pits, has once again stirred the dark elves into roiling aggression against the rest of Faerûn, reveling in the chaos born from her dark schemata. This is the Rise of the Underdark. In Iltkazar, the last subterranean kingdom of the once resplendent dwarven realm of Shanatar, King Mith Barak faces a siege of drow soldiers, spies, and assassins looking to seize the powerful city and the ancient magical artifacts hidden there. Somewhere in the city, the Arcane Script Sphere, a mystical orb touched by Mystra, the long-dead goddess magic, calls out to heroes and adventurers, beckoning with whispers of power and knowledge. Mith Barak hears it and knows he cannot hold the artifact much longer, but fears what the drow may do with it. Enter Icelin, Ruen, and Sull, Waterdavian wanderers whose desire to understand their own spellscars sets them in search of Mystran mysteries—they hope to understand magic and thus understand its plague. As they move from town to town, city

Online Library Starlight The Dark Elf War Book 1

to city in search of knowledge, Icelin hears the siren call of the Arcane Script Sphere, and it draws the trio deep into rocks of the Underdark where they find themselves at the center of the struggle between the dwarves and drow. Only King Mith Barak can initiate them into the mysteries they hope to illuminate. But first they must help him with a mystery of his own—a dark elf assassin, himself a seeker of the sphere, lies in Iltkazar's dungeons shrouded in the mystery and magic of Lolth. Icelin might be the one to see past that shroud and determine the true goal of the Spider Queen's schemes. As the dark elves intensify their attacks, the trio realizes their quest for knowledge has taken them into a new and dangerous realm . . . a realm dictated by the whims of spider and stone.

The War of the Spider Queen spreads... A hand-picked team of the most capable drow adventurers begin a perilous journey through the treacherous Underdark, all the while surrounded by the chaos of war. Their path will take them through the very heart of darkness, and the Underdark will be shaken to its core. If the powerful dark elves falter, the world below is open for Insurrection.

First they spied on us. Then they attacked us. Soon they will finish us. On dragons' wings, war begins. Magic has returned to Earth. A year ago, the dark elves breached the interstellar veil between our world and theirs. They slaughtered scores of innocents in the first battle of a war between magic and technology. Then they vanished. In the year since, Elizabeth Chambers has trained alongside Cassie "Starlight" Rogan in the Special Forces unit known as Task Force Devil. Their mission: to monitor the interstellar portal where the dark elves forced their way into our world. Elizabeth, like Cassie, is one of only two 'magic-sensitive' people on the planet who can

Online Library Starlight The Dark Elf War Book 1

control the powers of magic flowing back into our world. Unlike Cassie's healing magic, Elizabeth's magic is lethal, and she resists her deadly gifts. Soon, she will have no choice but to use them, because in a single night of fire and death, the dark elves have returned. And they have sinister plans for humanity. You'll love this second book in the urban fantasy/military sci-fi Dark Elf War series by former Army officer William Stacey because of his engaging characters, fast-paced plot, and thrilling battle scenes. Get it now.

People used to come to the small Greek island of Palassos for the historic ruins. Now they come to take drugs and party all night. But the horrific ritual murder of a boy in the grounds of an old monastery brings back memories of two similar deaths in the mid-1970s, and of a mysterious cult who once dwelt in the island's interior, memories the island has tried hard to forget. As Nikos, the police chief who has been persuaded back to his home island for the final years of his career, begins his investigation, two Brits arrive on the island: the bestselling crime writer Kitty Carson, on a break from the pressures of work and her strained marriage, and Jason, an aspiring writer with a secret of his own. When a second body is discovered - further endangering the island's lucrative tourist trade - these three characters are thrown together, as the gruesome secrets of the past begin to emerge. Brilliantly paced, and featuring a memorable cast of characters, *The Black Monastery* is a blistering portrait of paradise gone wrong.

Beware the island lost to time, where even vampires are prey. The thrilling conclusion to the Vampire Queen Saga Kingdom man-at-arms Owen Toscovar and Lady Danika Dain have joined forces with pirate chieftain Fioni Ice-Bound to destroy the Vampire Queen Serina Greywynne and stop her undead

Online Library Starlight The Dark Elf War Book 1

army from destroying all they love. They set sail on a perilous voyage to a mysterious island, long-believed to have once been the home of the gods themselves. There, they must find and destroy Serina's magically removed heart. But Serina, always just one step behind, has pledged to consume Danika's blood and end her family's line for all time. Still shamed from a previous failure to protect the brave noblewoman, Owen is determined that this time he will keep her safe no matter the cost. Now, Owen and the others must brave monster-filled seas, ship-killing storms, and foes both mortal and undead in their race to find Serina's heart. But they have yet to face their greatest challenge -- the fabled Mouth of the Gods and an evil even older than Serina.

Intended for a mature audience, *The Mouth of the Gods* is the third and final book in the *Vampire Queen Saga*, a dark, gritty tale of sword-swinging action, blood-curdling horror, and selfless duty in the face of unspeakable evil. Author William Stacey is a 2014 Amazon Breakthrough Novel Award Quarter-Finalist.
