The Problem of Pain is a 1940 book on the problem of evil by C. S. Lewis, in which Lewis argues that human pain, animal pain, and hell are not sufficient reasons to reject belief in a good and powerful God. Lewis summarizes the problem of evil as follows: "If God were good, He would make His creatures perfectly happy, and if He were almighty He would be able to do what he wished. But the creatures are not happy. Therefore God lacks either goodness, or power, or both." His partial theodicy address

The Problem of Pain - Wikipedia

The Problem of Pain is a difficult question every religion has to deal with, and one which has been especially difficult for Christianity. Some religions have the luxury of explaining pain as something deserved - a result of bad behavior from a previous life, or perhaps pain and suffering are caused by a malevolent deity in opposition to a good and loving God.

The Problem of Pain by C.S. Lewis - Goodreads

The Problem of Pain. C.S. Lewis puts his wages on a God who holds goodness and pain in a paradox. The Problem of Pain demonstrates a more distant, less emotional reaction to humanity's situation, while A Grief Observed reads like a psalm of lament from within pain itself. The two texts compliment one another by identifying parts of our struggle, the intellectual and physical difficulty life will bring, and how pain can bend us toward a loving God if we let it.

The existence of suffering in a world created by a good and almighty God — "the problem of pain" — is a fundamental theological dilemma, and perhaps the most serious objection to the Christian religion. Known to his readers as a philosopher, a Christian apologist, a science fiction writer, an author of children's stories and a literary critic, C. S. Lewis has also been introduced to the general public as a romantic sufferer.

C.S. Lewis: The Problem of Pain

In The Problem of Pain, Lewis grapples with the problem of suffering in a world creating by an ultimately good and powerful God. Before doing so, however, he sets the stage, providing background information on what he perceives to be the origins of religion.
