Peace isn't a place with no stress, but a place where you take the stress as it comes, in stride, and don't let it rule you. You let it flow through you, and then smile, and breathe, and give your child a hug. There is a Way of the Peaceful Parent, but it isn't one that I've learned completely.

More and more people are "waking up" spiritually. And for most of them, the question becomes: now what? "Information about life after awakening is usually not made public," explains Adyashanti. "It's most often shared only between teachers and their students." The End of Your World is his response to a growing need for direction on the spiritual path. Consider the book you hold in your hands Adyashanti's personal welcome to "a new world, a state of oneness."

Nearly a quarter century after the publication of Dan Millman's *Way of the Peaceful Warrior*, a film adaptation came to the screen in a movie titled "Peaceful Warrior" starring Nick Nolte as Dan's old mentor, "Socrates." Dan had anticipated that many questions might come from viewers of that film, and that it was finally time to write a book that directly addressed the original teachings in his first book, and loosely expressed in the movie. Over the years, readers have asked many compelling questions about mysterious elements in his bestselling classic. In this powerful new work, *Wisdom of the Peaceful Warrior*, Dan selected one hundred key passages and added incisive commentaries to clarify the timeless teachings of his old mentor,

Socrates. With practical wisdom gained over the passing decades, Dan now shares fresh insights that readers can apply directly to their everyday lives. *Wisdom of the Peaceful Warrior* speaks to all adventurous souls seeking a deeper understanding of themselves and their lives. For Dan Millman's loyal readers as well as those new to his work, this book reveals how to live each day with a peaceful heart and a warrior spirit.

This heartwarming tale tells of Danny Morgan, who learns the meaning of courage and friendship when he is confronted by, and befriends, the schoolyard bully. With dignity, wit, and compassion, Danny's mentor shows him that he cannot solve his problems by running away — or by becoming a bully himself.

The Hidden School reveals a book within a book, a quest within a quest and a bridge between worlds. Dan Millman takes readers on an epic spiritual quest across the world as he searches for the link between everyday life and transcendent possibility. Continuing his journey from Way of the Peaceful Warrior, Dan moves from Honolulu to the Mojave Desert, and from a bustling Asian city to a secluded forest, until he uncovers the mystery of The Hidden School. While traversing continents, he uncovers lessons of life hidden in plain sight - insights pointing the way to an inspired life in the eternal present. Along the way, you'll encounter remarkable characters and brushes with mortality as you explore the nature of reality, the self, death and,
