### Your Complete Guide to Train the Trainer

This train the trainer program outline is designed to help non-training professionals or part-time trainers design and/or deliver a presentation that can be more engaging than a traditional "I speak and you listen" training format. By inserting more engaging learning activities, every presenter has a better chance that their content will be retained, and therefore acted upon. The following train-the-trainer workshop was developed by working with groups of full-time and part-time trainers.
