The Prague Cemetery by Umberto Eco Nineteenth-century Europe abounds with conspiracy both ghastly and mysterious. Jesuits plot against Freemasons. Italian priests are strangled with their own intestines.

The #1 international bestseller, from Umberto Eco, author of The Name of the Rose " Vintage Eco . . . the book is a triumph. " – New York Review of Books Nineteenth-century Europe—from Turin to Prague to Paris—abounds with the ghastly and the mysterious. Jesuits plot against Freemasons. Italian republicans strangle priests with their own intestines. French criminals plan bombings by day and celebrate Black Masses at night. Every nation has its own secret service, perpetrating forgeries, plots, and massacres. Conspiracies rule history. From the unification of Italy to the Paris Commune to the Dreyfus Affair to The Protocols of the Elders of Zion, Europe is in tumult and everyone needs a scapegoat. But what if, behind all of these conspiracies, both real and imagined, lay one lone man? " [Eco] demonstrates once again that his is a voice that compels our attention " – San Francisco Chronicle " Choreographed by a truth that is itself so strange a novelist need hardly expand on it to produce a wondrous tale . . . Eco is to be applauded for bringing this stranger-than-fiction truth vividly to life. " – New York Times " Classic Eco, with a difference. " – Los Angeles Times This e-book includes a sample chapter of NAME OF THE ROSE.

"The Prague Cemetery" is the latest international bestseller from Umberto Eco, author of "The Name of the Rose." Nineteenth-century Europe abounds with political and religious conspiracies from Turin to Prague to Paris. What if, behind it all, lay one lone man determining the fate of the Continent?

Nineteenth-century Europe abounds with conspiracy both ghastly and mysterious. Jesuits plot against Freemasons. Italian priests are strangled with their own intestines. French criminals plan bombings by day and celebrate black masses by night. Every nation has its own secret service, perpetrating forgeries, plots, and massacres. But what if, behind all of these conspiracies, lies just one man?

Bored with their work, three Milanese editors cook up "the Plan," a hoax that connects the medieval Knights Templar with other occult groups from ancient to modern times. This produces a map indicating the geographical point from which all the powers of the earth can be controlled—a point located in Paris, France, at Foucault ' s Pendulum. But in a fateful turn the joke becomes all too real, and when occult groups, including Satanists, get wind of the Plan, they go so far as to kill one of the editors in their quest to gain control of the earth. Orchestrating these and other diverse characters into his multilayered semiotic adventure, Eco has created a superb cerebral entertainment.

A collection of timely essays by the internationally acclaimed and bestselling essayist, philosopher, literary critic and author of The Name of the Rose and The Prague Cemetery. Inventing the Enemy covers a wide range of topics on which Umberto Eco has written and lectured over the last ten years, from the discussion of ideas that have inspired his earlier novels - exploring lost islands, mythical realms, and the medieval world in the process - to a disquisition on the theme that runs through his most recent novel, The Prague Cemetery, that every country needs an enemy, and if it doesn't have one, must invent it. Eco's lively new collection examines topics as diverse as St

Thomas Aquinas's notions about the soul of an unborn child, indignant reviews of James Joyce's *Ulysses* by fascist journalists of the 1920s and 1930s, censorship, violence and Wikileaks. These are essays full of passion, curiosity, and obsessions by one of the world's most esteemed scholars and critically acclaimed, bestselling novelists.

Having suffered a complete loss of memory regarding every aspect of his own identity, rare book dealer Yambo withdraws to a family home nested between Milan and Turin, where he sorts through boxes of old records and experiences memories in the form of a graphic novel. By the author of *Baudolino*. Reprint. 75,000 first printing.

A 17th century Italian nobleman is marooned on an empty ship in this “astonishing intellectual journey” by the author of *Foucault’s Pendulum* (*San Francisco Chronicle*). In the year 1643, a violent storm in the South Pacific leaves Roberto della Griva shipwrecked—on a ship. Swept from the *Amaryllis*, he has managed to pull himself aboard the *Daphne*, anchored in the bay of a beautiful island. The ship is fully provisioned, he discovers, but the crew is missing. As Roberto explores the different cabinets in the hold, he looks back on various episodes from his life: Ferrante, his imaginary evil brother; the siege of Casale, that meaningless chess move in the Thirty Years' War in which he lost his father and his illusions; and the lessons given him on Reasons of State, fencing, the writing of love letters, and blasphemy. In this “intellectually stimulating and dramatically intriguing” novel, Umberto Eco conjures a young dreamer searching for love and meaning; and an old Jesuit who, with his clocks and maps, has plumbed the secrets of longitudes, the four moons of Jupiter, and the Flood (*Chicago Tribune*).

#1 Italian bestseller “Witty and wry . . . It’s hard not to be charmed.” — *New York Times Book Review* “One of the most influential thinkers of our time.” — *Los Angeles Times* 1945, Lake Como. Mussolini and his mistress are captured and shot by local partisans. The precise circumstances of Il Duce’s death remain controversial. 1992, Milan. Colonna, a depressed hack writer, is offered a fee he can’t resist to ghostwrite a book. His subject: a fledgling newspaper, which happens to be financed by a powerful media magnate. As Colonna gets to know the team, he learns of the editor’s paranoid theory that Mussolini’s corpse was a body double and part of a wider Fascist plot. It’s the scoop the newspaper desperately needs. The evidence? He’s working on it. It’s all there: media hoaxes, Mafiosi, the CIA, the Pentagon, blackmail, love, gossip, and murder. A clash of forces that have shaped Italy since World War II — from Mussolini to Berlusconi. “Farcical, serious, satiric, and tragic” (*Le Point*, France), *Numero Zero* is the work of a master storyteller. UMBERTO ECO (1932 – 2016) was the author of numerous essay collections and seven novels, including *The Name of the Rose*, *The Prague Cemetery*, and *Inventing the Enemy*. He received Italy’s highest literary award, the *Premio Strega*, was named a *Chevalier de la Légion d’Honneur* by the French government, and was an honorary member of the *American Academy of Arts and Letters*
