past and present is absolutely basic for a good understanding of the condition of being human. That, in a nutshell, is why History matters. It is not just 'useful', it is essential. The study of the past is essential for 'rooting' people in time. And why should that matter? The answer is that people who feel themselves to be rootless

John Tosh

Why history matters The overwhelming conclusion from History Matters is that people care. People care because history fuels a passionate fascination with the world around us, it helps us to understand ourselves, it underpins our individual and collective identities and it informs our choices about the future.
